## WHAT IS AN AFFILIATE PROGRAMME/MARKETING?

Affiliate programme/marketing is an advertising model in which a company compensates third-party publishers to generate traffic or leads to the company's products and services. The third-party publishers are affiliates, and the commission fee incentivizes them to find ways to promote the company. Affiliate marketing is a type of performance-based marketing in which a business rewards one or more affiliates for

each visitor or customer brought by the affiliate's own marketing.

## UNDERSTANDING AFFLIATE MARKETING

The internet has increased the prominence of affiliate marketing. Amazon (AMZN) popularized the practice by creating an affiliate marketing program whereby

websites and bloggers put links to the Amazon page for a reviewed or discussed product to receive advertising fees when a purchase is made. In this sense, affiliate marketing is essentially a pay-for-performance marketing program where the act of selling is outsourced across a vast network.

Referral/Affiliate program helps valued investors earn commission when they refer investors using their referral link which in return increase their profile, joining the referral/Affiliate program is rated based on performance and levels depending on the choice of plan your Down lines/referrals and this in return unlocks and boost your profile with a chance of becoming REGIONAL MANAGER with benefits a like brand new car, monthly salary of \$25,000 and many more
